

# Warranty Information

## Loewe Pixel Policy:

The specifications for the number of non-performing pixels that are deemed acceptable for Loewe LCD televisions are:

Fault	Location	Panel resolution 1366 x 768	Panel resolution 1920 x 1080
Dark pixel	Zone A	2	4
Bright pixel		1	1
Flickering pixel		0	0
Dark pixel	Zone B	4	8
Bright pixel		2	2
Flickering pixel		1	1

Note: Any non-performing pixels on the border of Zone A and Zone B are classified as being in Zone B
