(plus wheels)

Net weight:

95 lbs.

Description:

The Triple XXX 412 is a heavy duty loudspeaker cabinet designed to perfectly match the powerful Triple XXX head. It is available in both straight and slant cabinets and loaded with four rear-mounted, custom-designed 12" Triple XXX speakers.

The Triple XXX 412 can accommodate any playing style, and emphasizes the low end while allowing chiming mids and highs to cut through for tight, rhythmic playing and thick chords.

The inclusion of a stereo/mono wiring system allows the user either a single 16 Ohm 412 or two 8 Ohm 212's in the same cabinet.

3 + 2 YEAR LIMITED WARRANTY
